

Survey and Directory release

Under current law; Chapter 63, SLA 99, school districts are required to obtain written permission for any survey or questionnaire that will be administered during the school year. Parents/guardians will be notified and given the opportunity to review any survey for content and appropriateness no less than two weeks prior to administration of the survey.

Some examples of surveys Galena City School District *may* implement during the school year could include Migrant Needs Assessment survey, School Climate Survey, Indian Education Surveys and others.

By signing this document you are stating: **I DO** give my permission for my child to participate in surveys during the school year. I understand that as the parent or legal guardian of this student, I may review the survey being given no less than two (2) weeks prior to administration, determine the appropriateness of the survey in relation to my student and can remove them from participating if I wish.

Please write the names of each of your 3rd -12th grade students bellow to indicate that you do give your permission for your child to participate in surveys during the current 2018-19 school year.

Name of student (Please Print)
