**School Bus Rules**

Ref. BP 5131.1

Alaska statutes do not mandate pupil transportation. School bus transportation is provided as a courtesy and is a privilege, not a right. If a student’s conduct is such that health, safety, comfort, or well-being of others is jeopardized, on or off the bus, the privilege of riding the bus may be denied by the school district. The school bus driver is in charge of the bus and all its passengers and has total authority and responsibility. Parents are responsible for damages to the school bus due to the misconduct of their students. Please review the following guidelines with your student and follow instructions. The primary concern is for the safety of all the students.

Infractions will be addressed through the code of conduct.

**Waiting for the Bus**

1. Stay a safe distance from the roadway.
2. Be on time. Your school bus driver has a schedule to keep and cannot wait for you.
3. Line up at the bus stop and stay clear of the bus until it has come to a complete stop. Don’t push or play.
4. In the dark winter months, carry a flashlight and wear reflective tape on your clothing, if at all possible.

**Riding the Bus**

1. Remain seated until the bus comes to a complete stop. When leaving the bus, go around the front in a wide circle so that the driver can maintain sight of you at all times.

2. Do not hang onto any portion of the school bus from the outside, whether the bus is moving or not.
3. Exercise good manners, caution, and consideration for other people. Avoid loud talking, yelling, or anything else that may distract the driver. No abusive language or teasing is allowed on the bus.
4. No animals of any kind are allowed on the bus at any time unless the driver is notified first.

## **Medications for Students**

If it is necessary for a student to take any form of medication at school, a signed form is required. The form is available at the office. All prescription medications are dispensed through the main office unless the prescription dictates that the student carries it on their person. Over-the-counter medication, including cough drops, requires a note from home and no more than one day's dosage to be kept in a student's possession. Log entries will be noted of any medication given to students. No over the counter medications will be given before 10:30am.

## **Assemblies**

Each student is personally responsible for the impression made on the school as a whole during assemblies. Refined and courteous behavior of students must be displayed at all times. Assemblies will meet on an "as needed" basis. No food or drinks (other than water) permitted at assemblies.

## **Early Dismissal/Emergency Closing/Weather Conditions**

Every effort through email, phone calls, text messages or KIYU will be made to contact parents ahead of time if we have an early dismissal. School will be closed if conditions become detrimental to the welfare of students. Please listen to your radio for any notification regarding school closure.

## **Personal Electronic Devices**

Ref. BP 5138 & AR 5128

Student use of personal electronic devices (PED's) including cell phones, I-pods, etc. is not permitted during direct instructional time. Classroom use of PED's for educational purposes is only allowed under the direction and explicit permission of classroom teachers. High school (grade 9-12) students may use PED's before, after school, and during the student's lunch period. Elementary and middle school students (grade pre-K to 8) may not use PED's at any time during the period beginning 30 minutes before the instructional day and ending 30 minutes after the instructional day. Elementary and middle school students may not use PED's during their lunch period. Emergency use of PED's is allowed only with permission from building administrators who will then notify teachers.

## **School Pride**

Much of the spirit and reputation of a school is reflected by its appearance. We would like to continue to maintain a sense of pride in Galena schools. Please assist us in keeping the schools

clean and orderly. **This is your school. Take pride in it.** We strongly encourage you all to participate in Spirit Week.

## **Lost and Found**

Please report losses of your student's items to the office secretary or their classroom teacher. Be sure to write your student's names on their clothing and other belongings and have them check the lost-and-found daily for their missing items. Articles left in the lost-and-found will be forfeited at the end of the each semester.

## **School Informational Bulletins**

A school informational bulletin with pertinent information will be mailed or emailed home, as needed, or be available on the school website or the GILA Facebook page. Please read it carefully and file it for future reference. Other notices will be sent with your student when necessary.

## **Attendance**

Ref. BP 5110

## **Absences and Excuses**

The School Board believes that regular attendance plays a key role in the success a student achieves in school and later in the world of work. The Board recognizes its responsibility under the law to ensure that students attend school regularly. Parents and guardians of students aged 7 to 16 are obligated to send their student to public school except as allowed by law (Compulsory Attendance Law).

Make school attendance a top priority! **At the Sidney C. Huntington School** if your student is sick or tardy, call the school at 656-1205 to let them know or send a note. **At GILA** when your student is checked out to you and is sick or tardy and will not return to school on time, call the school secretary at 656-2053 to let her know, or send a note in advance. A telephone call or written excuse signed by a parent or guardian is required for absences or tardies. Students who know in advance they will be out of school should pick up assignments from their teachers before they leave.

## **School Hours**

9-12	9:00 a.m. – 3:55 p.m.
K-8	8:30 a.m. – 3:00 p.m.
Preschool – 4-year olds	8:30 a.m. – 3:00 p.m.

## **Tardies**

Ref. BP 5113

It is expected that each student arrive and be ready to start class on time. If there is a problem, the student is expected to let his or her classroom teacher know the reason before the bell rings.

Students who arrive to class within the first 15 minutes of the class period are considered tardy. If they arrive after 15 minutes, it will be an unexcused absence.

\*Note\* Each tardy will count as .25 points toward their absence total for the semester.  
(i.e. 4 tardies equal 1 point/day of absenteeism)

## Leaving School

If it is necessary for a student to leave school, they must have written/verbal permission from the parent or guardian. In cases of unavoidable medical appointments, the student will bring the written excuse to the office for the class time missed and secure an absence pass to class.

## Excused Absences

The superintendent or designated administrator may excuse student absences for health reasons, family emergencies, or other reasons the Superintendent or designated administrator determines constitute good cause.

“An absence will be excused if the parent or guardian either calls the office or sends a note explaining the absence.” A parent/guardian will have 5 school days to notify the school for the absence to be excused.

## Unexcused Absences/Truancy

GCSD is committed to keeping students in school and believes that unexcused absences and truancy are never acceptable. Unexcused absences include truancy and “parents and guardians failing to notify the office concerning the absence.” Parents will be notified when the student fails to appear in the school. “One unexcused absence counts as two (2) excused absences.”

Certain attendance related issues are covered in our student discipline plan, the Code of Conduct.

## Excessive Absence

Since attendance in school is paramount to realizing the utmost of one’s education, the school district will use every effort to keep students in school. Attendance will be checked regularly and parents informed. In any event, it is expected that no student should miss more than ten (10) school days in any one semester. When a student has missed ten (10) days, credit for the semester will be denied and teachers will assign a letter grade of AF(Attendance Failure).

### **Days missed for any of the following reasons will be counted in the ten-day rule:**

1. Excused absences E counts minus one day against the 10-day rule
2. Unexcused absences U counts minus two days against the 10-day rule
3. Suspensions (off campus) counts minus one day against the 10-day rule

### **The following days are not counted toward the ten days per semester:**

1. Illness, which is verified by, licensed medical personnel and where their recommendation is the student not attends school. Continuing medical needs. (i.e. braces, therapy, etc.)
2. Medical appointments only where a medical professional provides a dated note for said appointment.
3. Death or serious illness in the student’s family.
4. Subsistence activities when the students are accompanied by a parent/guardian for the duration of the outing and approved in advance by the principal.

## **Notification to Parents and Guardians**

Ref. BP 5113

Parents and guardians will be notified by the office when their student has missed five class periods of school. A conference/phone call with the student, parents, counselor, and principal will be scheduled when the student misses seven class periods of school.

## **Student Grades**

The School Board believes that students and parents/guardians have the right to receive course grades and feedback that represent an accurate evaluation of the student's achievement. Classroom teachers shall evaluate a student's work in relation to standards, which apply to all students at their grade level, not in relation to the work of other students in one particular class.

Grades should be based on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and objectives as demonstrated through assignments and formative and summative assessments, and in the case of CTE and other performance-based courses, through workplace performance. A student's academic grade will not be based on behavior. Discipline (non-compliance) issues will be addressed as part of the Code of Conduct.

Homework is defined as purposeful practice or completion of a task that every student is able to complete independently outside of class. Homework should reinforce principles, skills, concepts and information taught in the classroom. The basic objectives of homework are to reinforce the application of previously taught concepts, principles, and skills, extend student learning, and promote creative thinking and independent research. Students should be able to complete homework assignments independently with relatively high success rates, but they should still find the assignments challenging enough to be interesting. Regular, purposeful homework is an essential component of an instructional process that fosters academic achievement, and should be used to reinforce and extend the learning process. However, no more than 20% of the end-of-course grade should be determined by a student's completion of *or* performance on homework.

A formative assessment is defined as any task that serves to assess student growth toward mastery of the standard. Formative assessments can include specific, detailed, and constructive feedback that teachers provide on student work, such as journal entries, essays, worksheets, research papers, projects, ungraded quizzes, and lab results. Formative assessments are used to guide and drive instruction.

A summative assessment (or test) is defined as any evaluative task that serves as a demonstration of knowledge, proficiency, at a skill, or understanding of a concept. Summative assessments are provided at end of a unit to determine how much students have learned and may come in the form of papers, lab reports, projects, quizzes, and tests. Summative assessments can include objective or subjective tasks. Objective tasks have clear right and wrong answers, examples of which include mathematical solutions, multiple choice, true/false, and fill in the blank questions. Subjective tasks are more open-ended, do not have obvious right and wrong answers, and must be evaluated by professionals who truly understand the material. Opportunities for re-assessments (or re-takes) of summative assessments are encouraged in order for students to achieve mastery of

the curriculum rather than allow students to continue without understanding or confidence. A re-assessment may be the same test, a portion of the same test, or a different assessment that measures the same, or very similar, learning outcomes.

It is important for students to learn and practice tests and “test-taking skills.” However, grades should reflect learning of content. Re-assessment opportunities are expected to be more limited in advanced placement and college preparatory courses.

Workplace performance is defined as performance of tasks during the instructional period, which demonstrates a student’s attainment of technical skill proficiencies and application of their skills and knowledge. Industry-approved technical skill assessments based on industry standards should be used where appropriate. Workplace performance may contribute at least 40% of the end-of-course grade for CTE and other performance-based courses, but cannot be factored into the final grade of core classes (English, math, science, social studies, and other non-performance-based courses).

## **Grading 3-12**

Ref. BP 5121

The following grading scale will be used throughout our school to provide a consistent form of classroom evaluation:

93-100	4.0	A
90-92	3.75	A-
87-89	3.5	B+
83-86	3.0	B
80-82	2.75	B-
77-79	2.5	C+
73-76	2.0	C
70-72	1.75	C-
67-69	1.5	D+
63-66	1.0	D
60-62	.75	D-
Less than 60	0	F

## **Grading K-2**

Kindergarten through second grade will use the following:

P – Proficient  
I – In Progress  
N – Needs Improvement

## **Grading PreK**

A – Almost Always  
E – Emerging  
N – Needs Attention

## Honor Roll

Honor Roll will be determined at the end of each semester.

The following grading scale will be used for Honor Roll:

Honor Roll	3.5 – 4.0
------------	-----------

## Perfect Attendance

Perfect attendance will be determined on a semester basis with the following criteria:

The student has no absences and fewer than 4 tardies for all classes.

## Valedictorian and Salutatorian

Each year, valedictorian and salutatorian positions will be announced prior to graduation. Cumulative GPA will be determined by computing an average of the semester grades beginning in the 9<sup>th</sup> grade. It will be calculated to the second decimal place, if needed.

The valedictorian/salutatorian selection procedure is necessary in order to make a fair determination.

In order to be considered for SHS valedictorian and salutatorian honors and GILA valedictorian and salutatorian honors, a student must have ...

- enrolled only in SHS high school and only at GILA during the final, four full semesters in which the student earned credits,\*
- enrolled in at least five SHS/GILA classes each of the four semesters,
- a minimum of a cumulative 3.5 grade point average (GPA) and
- earned only A's, B's, and C's throughout high school.

The student who has earned the highest cumulative GPA based on high school credits will be designated the valedictorian. The student who has earned the second highest cumulative GPA based on high school credits will be designated the salutatorian. In the rare case of a tie, the students will be named co-valedictorians or co-salutatorians.

These are individual school based honors (not district-wide honors), recognizing the highest academic performance of students attending these two schools.

\*If a senior otherwise meets the requirements of valedictorian or salutatorian of his/her graduating class, but has been enrolled in another GCSD school at any time during his/her final, four full semesters, that student will be eligible to be co-valedictorian or co-salutatorian with a student who has only been enrolled in the school from which s/he is graduating. This type of co-valedictorian honor and co-salutatorian honor will only be offered in years when a dual-enrolled student qualifies. In the case of an unforeseen emergency (infectious disease pandemic, natural disaster, etc.) that alters course availability and/or student access to courses, the five SHS/GILA class per semester requirement for dual-enrolled students will be waived. This applies only to the semesters affected by the emergency.

## Grading and Reporting Procedures

Ref. BP 5124

Communication between a student's parents or guardians and their teachers is an integral component of any successful educational process. Teachers are expected to communicate successes, and concerns to their students' parents and guardians on a consistent basis. In addition, before a teacher gives a student a grade of "F" or "D", either at report card time or mid-quarter reports, or if a student is working below his or her expected capability, the teacher must contact the parents or guardians by telephone or email.

Progress reports will be mailed home at midpoint of each quarter. Report cards will be sent home at the end of each quarter as indicated in the school calendar. Parent/teacher conferences will be held at the end of the first and third quarter. If report cards are not picked up, they will be mailed home.

## **School Rules**

### **Code of Conduct**

Ref. BP 5131

All students have the right to receive an education in an environment that is conducive to a positive learning experience and where there are clear rules and expectations. General behavioral expectations for the members of our community fit into four main standards. These ideals are based on the belief that everyone here is expected to be productive, considerate members of the GCSD community. At Galena City School District, all students are expected to:

1. Work with staff and community to develop skills and habits that demonstrate growth related to self-respect, the respect of others, the environment, and property.
2. Refrain from any action that negatively affects the physical, emotional, or social health of themselves or others.
3. Demonstrate accountability toward academic success by regularly using the support systems made available.
4. Adhere to all local, state, and federal laws as related to substance use, attendance, harassment, theft, possession of weapons, etc.

5. Students in Galena City School District will avoid behaviors that negatively affect themselves, other students, or the teacher's ability to teach.

## **School Rules**

General school rules are developed to assure each student a safe, secure, and predictable school environment.

In this school,

1. We treat everyone with dignity and respect.
2. We arrive to school on time and prepared to work.
3. We do not bring or use alcohol, tobacco, drugs, or dangerous weapons.
  - Any student found with a firearm or dangerous weapon in school buildings, on school grounds, or district approved transportation, or at any school related activity, without written permission from the Superintendent or administrative designee, shall be recommended to the Board for expulsion for not less than one calendar year. **This applies to all grades. Ref. BP 5131.6**
4. Inappropriate displays of affection (IDA's) to include kissing, close continued body contact or actions sexual in nature are not permitted.
5. Teachers are required to write, post, and instruct their students concerning their classroom rules. A copy of the teacher's plan will be given to the principal within the first two weeks of school. Teachers are required to use progressive discipline. Teachers, and/or building administrators, must provide communication to the student as to their violation and corrective measures. Administration will adjudicate violations of the Code of Conduct referred to them by school staff.

## **Principal's Discipline Plan: K-12**

Ref. BP 5144

### **Consequences: PreK-6**

*Third Offense:* Meeting with parent with possible out of school suspension.

### **Severe Violations – PreK-6**

The student will be sent to the principal and will not return to the classroom until a conference between the teacher and principal is held when a severe violation occurs. Consequences may vary with the severity of the student's action. This could include missing recess, staying after school, and in-or-out of school suspension.

## Investigation and Hearing

Ref. BP 5131.41

The principal or designee will conduct a thorough investigation and give the student an informal due process hearing.

## Consequences: Grades 7-12

### Code of Conduct

Progressive discipline will be utilized for all student conduct situations. Reverse progression may take place after the 3<sup>rd</sup> offense, based on administrative discretion, in an effort to make a plan to change behavior. Failure to comply with conduct or coaching/counseling stipulations may result in a suspension up to ten days. The student's behavior may give us good reason to skip all steps, and the student may be suspended from school for up to ten days and/or be recommended for expulsion. Behavior that threatens the safety and wellbeing of the student or other students, or has a significant adverse effect upon the living/learning environment of the Residence Hall may, at the GILA Principal's discretion, result in removal from housing. **Within the following guidelines, administration reserves the right to interpret and act upon each situation on an individual basis, within the guidelines of the code, in order to best meet the needs of the student and the school.**

#### Key Terms:

## Restorative Justice Practices

In an attempt to best meet the needs of our students, the school, and the community; restorative justice practices can be utilized with the agreement of both the adjudicating administrator and the student. This typically includes, but is not limited to, hours of community service in lieu of

detention and/or days on floor. Community service cannot be substituted for days of out of school suspension. The adjudicating administrator will set a timetable by which the community service must be completed or it will revert to the traditional consequences with possibly additional consequences for failure to complete the agreed upon restorative actions.

## **Out of School Suspension (OSS)**

Students who have committed major behavioral infractions may be assigned between 1-10 days of OSS. For all OSS assignments, GILA students must leave the residence hall to find an alternate housing arrangement at the parents/guardians expense, regardless of their financial standing at the time of the suspension. The student will remain on restrictions while the parent/guardian makes alternate housing arrangements. *GILA students who receive 10 or more consecutive days on floor restriction may be assigned OSS at the discretion of the administrator.* While on suspension, students may not return to campus or appear at school activities.

**All Major Offenses DO NOT go away at the beginning of each year. These offenses will accumulate throughout the time you are enrolled at The Galena City School District.**

## **Out-of-School Suspension**

Ref. BP 5144 & BP 5144.1

Students will be expected to complete assigned class work while assigned out-of-school suspension. All assignments must be completed in a timely manner (2 days for each day of OSS) (students must attend VAS) following the out-of-school suspension placement and will be graded for full credit.

## **Academic Honesty**

## **Extracurricular Activities**

Ref. BP 6145.2 / Activities Handbook

If a student receives a suspension during their season, they will miss the next event/competition. Further suspensions will result in progressive events missed consistent with the number of suspensions.

Students who use and/or possess alcohol or drugs will be subject to suspension from participation in extracurricular activities for 30 calendar days. See Activities Handbook for detailed description of above policy.

## **Sportsmanship**

Ref. BP 6145.21

The School Board expects athletes, coaches, and spectators to demonstrate good sportsmanship during all athletic competition. District staff and parents/guardians have a duty to promote an environment of good sportsmanship by serving as models of fair play and proper conduct.

All participants and coaches are expected to exhibit the highest level of respect for their opponents and the officials. We also expect fans will eagerly support their favorite team by applauding fair play while refraining from negative words and behaviors. Be Loud...Be Proud...But Be Positive!”

## **School Dress Code**

The requirement to keep students on campus is part of the Board’s efforts to maintain a safe school climate. Once students arrive at school, they must remain on campus until the end of the school day unless they have brought written authorization from their parents/guardians and received permission from school authorities to leave for a specific purpose. Students who leave campus without such authorization shall be classified as truant and subject to disciplinary action.

## **Student Activities**

## **Student Council**

Student council serves as a democratic forum for all students in the school. Through it, every student can voice his or her concerns and ideas. As a member of the student council, it is your responsibility to represent the views of your classmates at each meeting. Student council provides students with the opportunity to learn about the democratic process and leadership. Student council is dependent upon student interest and a school sponsor. Following is a list of its rules:

1. All students can become a member of the student council.
2. Representatives are elected by each class to act and vote for students at student council meetings.
3. Every student council has officers; usually, a president, vice president, secretary, and treasurer. These positions elected by the whole school.
4. A teacher or other member of the school staff serves as school sponsor.
5. The principal or designee is always a member of the student council. They are the final authority and has the ultimate responsibility for the school.

In order for the student to be eligible to participate in interscholastic activities, a student must meet the eligibility requirements established by the Alaska School Activities Association, (A copy of the requirements is on site with AD). In addition, the student must also maintain at least an overall "C" (2.0 GPA) and no D's or F's for all classes for that quarter. A student must maintain eligibility in situations where an interscholastic activity continues over more than one quarter grading period. Suspensions from school will directly affect the student's ability to participate in a game or competition for a period of time. See the Activities Handbook.

Students transferring into the Galena City School District for the first time must have a passing grade in five courses and must meet the requirements of the preceding two paragraphs by the end of the next weekly eligibility period after entering the Galena City School District as a student.

The superintendent or administrative designee may revoke a student's eligibility for participation in activities when a student's poor citizenship is serious enough to warrant loss of this privilege.

***E 5125.1***

Note: Under the Family Educational Rights and Privacy Act (“FERPA”), school districts may only disclose directory information without consent if they have given the parent or eligible student notice of the kinds of information the district designates as directory and an opportunity to opt out of directory information disclosures. The following is a sample notice, including an “opt out” form, which addresses both directory information and the disclosure of student information to military recruiters and colleges. This form utilizes the Model Notice for Directory Information developed by the federal Family Policy Compliance Office.

## **NOTICE OF STUDENT DIRECTORY INFORMATION**

The Galena City School District has adopted a policy designed to provide parents and students the full protection of their rights under the Family Educational Rights and Privacy Act of 1974 also known as FERPA. A copy of the school district’s policy is available for review in the office of the principal of all of our schools.

FERPA, with certain exceptions, requires your written consent prior to disclosure of personally identifiable information from your child’s education records. However, the District may disclose appropriately designated “directory information” without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your child’s education records in certain school publications. Examples include:

- A playbill, showing your student’s role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets such as for wrestling, showing weight and height of team members

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local school districts receiving federal education funding to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the school district that they do not want their student’s information disclosed without their prior written consent.<sup>1</sup>

---

<sup>1</sup> These laws are: Section 9528 of the Elementary and Secondary Education Act (20 U.S.C. § 7908), as amended, and 10 U.S.C. § 503(c), as amended

The District has designated the following information as directory information:

Note: A school district may, but does not have to, include all the information listed below.

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Enrollment status
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)

You have the right to refuse the designation of any or all of the categories of personally identifiable information as directory information with respect to your student provided that you notify the school district in writing not later than \_\_\_\_\_, 20\_\_ of this school year. If you object to disclosure of some or all of this information, please complete and return the slip attached to this notice.

If you have no objection to the use of student information, you do not need to take any action.

Any malfunction should be reported to the office. Food and pop will not be consumed at lockers. Remember that lockers are the property of the school. **Locker use is a privilege that must be respected.**

## **Internet and Technology Use Policy**

Ref. BP 6164.4

As telecommunications, local area networks, and wide area networks have become a normal method of doing business in our schools and the skills of accessing and manipulating information

become requirements for work and communications in the workplaces in which our students will be employed, we realize and endorse the need and the right of students to access networks, information systems, and the Internet.

However, with all privileges come responsibilities. With the power of information networks and the Internet come possibilities and opportunities for abuse. The dynamic and changing characteristics of the Internet and telecommunications networks make it impossible to predict what information students may access. Just as the purchase, availability, and use of medical materials does not indicate endorsement of their contents by the district, neither does making electronic information access available to students imply endorsement of any and all content, which may be available and accessible via electronic means.

The Internet and technology use policy of the GCSD has at its core two fundamental principles:

1. With all responsibilities comes the responsibility to act in a legal, ethical, and responsible manner.
2. Responsible use of the Internet and technology is a behavioral and disciplinary issue, not a technological one.

Students and parents will be required to read and sign an Internet access agreement with the school district before Internet access will be provided to students.

*Network Services* refers to services and information accessed over the Local Area Network (LAN) of each school, as well as over Wide Area Networks (WANs), which includes Internet access and access via telecommunications networks and protocols.

*Technology Tools* refers to computer hardware and software components, and those devices controlled by them or created by them. This includes, but is not limited to still and digital cameras and video cameras.

*Network Users* refers to students, staff, and others given access to the network services and technology tools of the GCSD.

2. Use of the Galena City School District's access to the Internet

3. Use of the Galena City School District's servers

### **Responsibilities:**

1. Using the computers properly
2. Reporting improper use of the computers
3. Respecting the restrictions placed on computer usage
4. Behaving in such manner as to be treated as a responsible computer user

### **Unacceptable uses of network services and technology tools:**

4. Participating in "hacking" by gaining access to unauthorized network areas, management systems, information, and/or files
5. Allowing access to another student with your login name and password.
6. The use of Proxy and or anonymizer services and software are not allowed

## **Conditions**

### **1. Respect the equipment.**

The computers issued to the students by the Galena City School District are meant for educational purposes during the school day and other appropriate uses as defined by the dorm staff or your parents during the evening hours at the dorm or at home.

### **2. Respect the software.**

Galena City School District computers have approved software installed for purposes related to the nature of your assigned work. It is installed for work purposes. No software is to be added or deleted. No students are to access system files (preferences, system font, etc.). The computers at Galena City School District are primarily workstations. As such, they will have the software necessary to do the assigned work on them. If other software is installed on the machines, it may cause system conflicts or license violations.

### **3. The Internet is a tool.**

Entry to the Internet is provided through the computers at Galena City School District and is to be used to find information and graphics relating to schoolwork. Access is not to be abused. Per Federal law, all Internet traffic is filtered, logged, and monitored.

### **4. Mail privileges.**

Galena City School District will provide email access for students. Federal law mandates that e-mail is the property of the organization (Galena City School District).

### **5. Printing.**

It is required to complete all drafts of work before printing final copies on paper. All attempts to protect papers must be observed. Excessive printing and printing for personal needs rather than schoolwork is prohibited.

### **6. The golden rule applies.**

Erasing files in the areas of people forgetful enough to leave them open when they leave that computer, or trusting enough to leave the room with their area still open, is not to be done. People's files are their own, and if you come across a machine with someone else's file open on it, put it away. If you wouldn't like long hours of your own work erased, don't erase the work of others. Do unto others as you would have done to you. Revenge is not acceptable.

### **7. Restrictions.**

Restrictions are placed on the computer by many entities, including the federal government, the school district, the administration and teachers at Galena City School District. One of those restrictions is this contract. These restrictions are to be respected, and the severest consequences can result from violating them.

The restrictions placed on the use of the computers and the Internet is governed at Galena City School District by items not only in the policies of the Galena City School District, but items in the United States federal code and regulations made by the state of Alaska. They exist to prevent the public (who provide the funding, and thus have some control of the function of the school) from requiring that the computers be removed from the schools.

## **Galena City School District's computer system will be organized as follows:**

### **1. Computer System Administrators.**

The system administrators will be at the top of the system; that person will have the ultimate

authority and responsibility for the system in cooperation with the Galena City School District teachers and staff. Any problems that cannot be resolved in any other fashion will be brought to the system administrator. The system administrator will also approve any additions to the computers

## **2. The student users.**

All students in the Galena City School District who have signed the contract for computer use and are not being disciplined for computer abuse are in this category. They will be allowed to use the computer workstations set up for the student body at the Galena City School District. If they have not been removed from the computers for disciplinary reasons, they may have one. E-mail accounts will be available to this group, in agreement with the Galena City School District's policies on the subject.

## **3. The student non-users.**

This last group involves those who did not sign the "conditions for computer use" contract, and those who have been penalized by being disallowed computer use, must have special permission or constant supervision by a teacher or staff member to use Galena City School District's computers. They will have no access to the file server.

## **4. Personal computers in the school.**

The Galena City School District does not allow personal devices on its network. Exception can be made with the approval of the Superintendent or a person designated by the Superintendent.

# **Penalties and Consequences**

If the conditions stated above are not met, penalties will be incurred. By signing this document, you agree to any penalties incurred by your own actions.

The system administrator or other appropriate individuals will forward the discipline referrals to the school administration. Penalties allotted in this fashion are independent of other penalties incurred by the individual.

## **1. Disallowed computer use.**

For all general computer related offenses mentioned in this contract, the offending individual will be removed as a user and member of groups on the Galena City School District file server. They may retrieve their personal and school related files from the server, so long as the files are unrelated to the offense, at the Galena City School District system teacher's discretion.

## **2. Suspension.**

For serious offenses, the offender may be suspended from school in agreement with the Galena City School District suspension. This boundary of punishment is reserved for students with multiple offenses, or those guilty of extreme ravage of the system; taking commercial software registered to the Galena City School District for personal use, physically damaging computers owned by the Galena City School District, attempting to damage the files on the Internet or any network server in the Galena City School District.

**Galena City School District Conditions of Computer Use Agreement**

The undersigned understands that this document is a legal and binding agreement between the student and the Galena City School District. All conditions are non-negotiable.
