

GCSD Smart Start Plan

Galena City School District: CONTINUITY OF LEARNING

Describe how the district will ensure the following conditions for learning will be addressed in a low, medium, and high risk environment for all students. To view the definition and parameters for each risk environment, visit <https://bit.ly/akss-guidance>.

	Low Risk	Medium Risk	High Risk
Learning Gaps	<p>✓ IDEA: Support model will continue largely unchanged with most support occurring in the form of phone calls, texting, emails and listserv announcement. Parents can also come to the offices where physical distancing will be observed and masks will be required for everyone 5 and above. oThe number of people in each office will be monitored and limited in order to maintain physical distancing of at least six feet between all people in the office who are not from the same household.</p> <p>✓ SHS K-12/GILA: Using MAP Growth (and possibly Achieve 3000 and STAR Math), identify learning gaps and focus on bridging gaps.</p> <p>✓ SHS K-12/GILA: Focus on where students are and pick up from spring 2020 curricular concepts.</p>	<p>✓ IDEA: Support model will continue largely unchanged with most support occurring in the form of phone calls, texting, emails and listserv announcement. Parents can also come to the offices where physical distancing will be observed and masks will be required for everyone five years of age and above.. IDEA offices will be closed and all but essential staff will be working from home.</p> <p>✓ SHS K-12/GILA: Using MAP Growth (and possibly Achieve 3000 and STAR Math), identify learning gaps and focus on bridging gaps.</p> <p>✓ SHS K-12/GILA: Focus on where students are and pick up from spring 2020 curricular concepts.</p>
Interventions / Meeting the Needs of Students with Disabilities	<p>✓ IDEA: ESER/IEP meeting are held on time and in person or telephonically/electronically, depending on the need/location of the parents. All testing is completed in person. All IEP services are provided, as written in person and in the classroom.</p> <p>✓ SHS K-12/GILA: ESER/IEP meeting are held on time and in person or telephonically/electronically, depending on the need/location of the parents. All testing is completed in person. All IEP services are provided, as written in person and in the classroom.</p>	<p>✓ IDEA: ESER/IEP meeting are held on time and in person, while implementing all the COVID-19 requirements or telephonically/electronically, depending on the need/location of the parents. All testing is completed in person while implementing all the COVID-19 requirements or provided on line. All IEP services are provided as written in person or online.</p> <p>✓ SHS K-12/GILA: ESER/IEP meeting are held on time either in person, while implementing all the COVID-19 requirements or telephonically/electronically, depending on the need/location of the parents. All testing is completed in person while implementing all the COVID-19 requirements or provided on line. Services are provided in person and in the classroom while implementing all the COVID-19 requirements or provided on line.</p>	<p>✓ IDEA: ESER/IEP meeting are held on time telephonically or electronically. Testing is online. Services are provided on line.</p> <p>✓ SHS K-12/GILA: ESER/IEP meeting are held on time telephonically or electronically. Testing is on line. Services are provided on line. IEP teams reconvened to create distance learning plans.</p>
School Schedules	<p>✓ IDEA: Normal homeschool schedule.</p> <p>✓ SHS K-12/GILA: Students attend school in person 5 days a week. Various adjustments made to meals and passing periods to alleviate hallway congestion and allow for physical distancing. Ongoing discussions regarding staggered start times for high school classes.</p> <p>✓ SHS K-12/GILA: Recess-staggered schedule and classroom breaks scheduled. Frequent cleaning after gym use. Extra classroom cleaning of common touch areas by teacher and students using approved cleaning supplies.</p> <p>✓ SHS K-12/GILA: Bathroom and water bottle filling breaks-rotation.</p>	<p>✓ IDEA: Normal homeschool schedule.</p> <p>✓ SHS K-12/GILA: Students attend school in person 5 days a week. All education is distance delivered using age-appropriate strategies.</p> <p>✓ N/A: No in-person instruction in condition red.</p> <p>✓ N/A: No in-person instruction in condition red.</p>
Distance Learning	<p>✓ IDEA: Parents will educate their students at home normally.</p> <p>✓ SHS K-12/GILA: Teachers will begin prepping for the delivery of "at-home" lessons and activities in the event that individual or groups of students are quarantined at home or in the GILA Residence Hall. This includes professional development and lesson planning.</p>	<p>✓ IDEA: Parents will educate their students at home normally.</p> <p>✓ SHS K-12/GILA: Teachers will begin prepping for the delivery of "at-home" lessons and activities in the event that individual or groups of students are quarantined at home or in the GILA Residence Hall. This includes professional development and lesson planning.</p>	<p>✓ IDEA: Parents will educate their students at home normally.</p> <p>✓ SHS K-12/GILA: In the event that attendance in "in-person" classes is not available to individual students, groups of students, or due to a school closure, instruction will be delivered using a distance learning format. This is for SHS students and for students living in our GILA Residence Hall.</p>

Delivery Methods	<p>SHS K-12/GILA: Welcome back planning has involved many communication attempts with students, parents/guardians, and staff. These have included: Numerous call-in sessions, mass emails with question/answer documentation, automated phone calls and texts, individual phone calls, posts on various social media sites, and postings on our district website. Welcome back activities as indicated in low-risk will be provided for students who arrive late.</p> <p>✓</p>	<p>SHS K-12/GILA: Welcome back planning has involved many communication attempts with students, parents/guardians, and staff. These have included: Numerous call-in sessions, mass emails with question/answer documentation, automated phone calls and texts, individual phone calls, posts on various social media sites, and postings on our district website. Welcome back activities as indicated in low-risk will be provided for students who arrive late.</p> <p>✓</p>	<p>SHS K-12/GILA: As we move into a home distance delivery mode, and back into classroom instruction, multiple communication sessions with students, parents/guardians, and staff will be provided. These will include: Call-in sessions, mass emails with question/answer documentation, informative letters, automated phone calls and texts, individual phone calls, posts on various social media sites, and postings on our district website.</p> <p>✓</p>
Professional Learning for Educators	<p>✓ IDEA: In-servicing will occur through in-person in-services while maintaining physical distancing and other CDC protocols. Online delivery of in-service topics will also be considered.</p> <p>✓ SHS K-12/GILA: August in-service - 4 extra days to enable training of staff and families in GCSD Smart Start Plan 2020-2021 logistics. If needed during these days, special education teachers will conduct IEP amendment meetings with families to discuss instruction for the school year. Physical distancing, hand washing, etc. will be followed.</p> <p>✓ SHS K-12: All students and staff will be responsible to monitor for fever every morning. Anyone who has a fever of 100.4 or higher will be considered ill and will be sent home from school. Both SHS students and SHS/GILA staff will be required to obtain a return to work/school note from the local health provider.</p> <p>✓ GILA: GILA students will be responsible to monitor for fever every morning. Any students who have a fever of 100.4 or higher will be sent to the wellness room or another designated area in the Residence Hall. GILA students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to the local health clinic. The students will receive a return to school note from the local health provider.</p> <p>✓ SHS K-12/GILA: Medical and Behavioral Health staff at The Edgar Nollner Health Clinic will provide medical and behavioral health training for staff, parents/guardians, and students at the beginning of the school year and as needed per clinic or school staff request.</p> <p>✓ SHS K-12/GILA: Teachers, dorm staff, and administrators have received on-going professional development in the affect of acute childhood experiences (A.C.E.S.) and instructional and behavioral techniques for working with students with childhood trauma.</p> <p>✓ GILA: Residence Life staff will be specifically trained to meet the social emotional needs of students during the pandemic. Additional monitoring will be in place to watch for signs of deteriorating mental health.</p>	<p>✓ IDEA: In-servicing will occur virtually.</p> <p>✓ SHS K-12/GILA: August in-service - 4 extra days to enable training of staff and families in GCSD Smart Start Plan 2020-2021 logistics. If needed during these days, special education teachers will conduct IEP amendment meetings with families to discuss instruction for the school year. Physical distancing, face coverings, hand washing, etc. will be followed.</p> <p>✓ SHS K-12: All students and staff will have their temperature taken by a school employee every morning. Anyone who has a fever of 100.4 or higher will be considered ill and will be sent home from school. Both SHS students and SHS/GILA staff will be required to obtain a return to work/school note from the local health provider.</p> <p>✓ GILA: GILA students will have their temperature taken prior to leaving the Residence Hall. Any students who have a fever of 100.4 or higher will be sent to the wellness room or another designated area in the Residence Hall. GILA students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to the local health clinic. If needed during these days, special education teachers will conduct IEP amendment meetings with families to discuss instruction for the school year. This in-service will occur virtually.</p> <p>✓ SHS K-12: No in-person instruction. Parents/students are encouraged to self monitor and stay in contact with the local health provider as appropriate.</p> <p>✓ GILA: All GILA students and Residence Life staff members will have their temperature taken by a school employee every morning. Anyone who has a fever of 100.4 or higher will be considered ill. GILA students may be moved to a wellness room or another designated area in the GILA Residence Hall. Residence Life students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to our local health provider.</p> <p>✓ SHS K-12/GILA: Medical and Behavioral Health staff at The Edgar Nollner Health Clinic will provide medical and behavioral health training for staff, parents/guardians, and students at the beginning of the school year and as needed per clinic or school staff request.</p> <p>✓ SHS K-12/GILA: Teachers, dorm staff, and administrators have received on-going professional development in the affect of acute childhood experiences (A.C.E.S.) and instructional and behavioral techniques for working with students with childhood trauma.</p> <p>✓ GILA: Residence Life staff will be specifically trained to meet the social emotional needs of students during the pandemic. Additional monitoring will be in place to watch for signs of deteriorating mental health.</p>
Staffing	<p>✓ IDEA: Normal staff levels at each of the IDEA offices. If a region stays at the intermediate alert level for 7 days in a row, the regional office will then abide by the intermediate Covid alert level.</p> <p>✓ GILA: Residence Life staffing will be increased to support student "Family Groups" and a physical distancing designed after-school schedule.</p>	<p>✓ IDEA: 40% of all IDEA staff will work from home, if their jobs can be done from home. If Covid rates stay above 10 cases per 100,000 people in a given region of the state for 7 or more days, that regional office will be closed to walk-in traffic and all staff who can work from home will be working from home. When a region stays at a low Covid alert level for 14 days in a row, the region will adhere to the Smart Start Plan policies and practices associated with the low alert level.</p> <p>✓ GILA: Residence Life staffing will be increased to support student "Family Groups" and a physical distancing designed after-school schedule.</p>	<p>✓ IDEA: If Covid rates stay above 10 cases per 100,000 people in a given region of the state for 7 or more days, that regional office will be closed to walk-in traffic and all staff who can work from home will be working from home. 	<input checked="" type="checkbox"/> SHS K-12/GILA: Staff reassigned as needed for COVID-19 related travel and supervisory duties. <input checked="" type="checkbox"/> SHS K-12/GILA: One maintenance/custodian to be reassigned for cleaning purposes on both campuses.	<input checked="" type="checkbox"/> SHS K-12/GILA: Staff reassigned as needed for COVID-19 related travel and supervisory duties. <input checked="" type="checkbox"/> SHS K-12/GILA: One maintenance/custodian to be reassigned for cleaning purposes on both campuses.	<input checked="" type="checkbox"/> SHS K-12/GILA: Staff reassigned as needed for COVID-19 related travel and supervisory duties. <input checked="" type="checkbox"/> SHS K-12/GILA: One maintenance/custodian to be reassigned for cleaning purposes on both campuses.
Additional Considerations	<input checked="" type="checkbox"/> IDEA: Clubs, groups and extra-curricular activities will be considered on a case-by-case basis. Standardized testing administration will be considered if rates are in the low risk category, provided testing space allowing for adequate spacing is available. The decision to test will be made no later than 2/19/21. Indoor graduation ceremonies will be allowed, provided Covid mitigation procedures are followed following CDC, State of Alaska and Federal guidelines. The decision whether ceremonies will be inside or outside will be made no later than March 1. <input checked="" type="checkbox"/> SHS K-12/GILA: Teachers will create a two-day contingency packet of academic work to be used if school must be closed to "hunker down" in red. Teachers will use these two days to prepare and disseminate distance delivery instruction during the remainder of the "hunker down" timeframe.	<input checked="" type="checkbox"/> IDEA: All indoor clubs, groups and extra-curricular activities will be suspended. Some outdoor activities may be considered on a case-by-case basis provided the entire activity is outdoors and appropriate distancing and other precautions can be adhered to. Standardized testing administration will be considered if rates are in the medium risk category, provided testing space allowing for adequate spacing is available and appropriate mitigation plans can be adhered to. The decision to test will be made no later than 2/19/21. Standardized testing will not take place in any region where the alert level is high at any time within 7 days of the planned date of test administration. Indoor graduation ceremonies will be considered on a case-by-case basis, with the determining factors being crowd size and Covid mitigation practices. Outdoor graduation ceremonies will be encouraged. The decision to move ceremonies outside will be made no later than March 1. <input checked="" type="checkbox"/> SHS K-12/GILA: Teachers will create a two-day contingency packet of academic work to be used if school must be closed to "hunker down" in red. Teachers will use these two days to prepare and disseminate distance delivery instruction during the remainder of the "hunker down" timeframe.	<input checked="" type="checkbox"/> IDEA: All clubs, groups and extra-curricular activities will be suspended. Standardized testing will be cancelled by 2/19/21 for every region that is in the high category on 2/19/21. No indoor, in-person graduation ceremonies will be allowed to take place. The decision whether to move ceremonies outdoors will take place no later than March 1. Standardized testing will not take place in any region where the alert level is high at any time within 7 days of the planned date of test administration. <input checked="" type="checkbox"/> SHS K-12/GILA: Transition to distance learning of instruction.
Connections with Stakeholders	<input checked="" type="checkbox"/> IDEA: Staff will communicate regularly with IDEA families via phone, email, text and Microsoft Teams to maintain support, compliance and to ensure that student educational progress is being monitored and that families are having educational successes. Families may stop by the offices from time to time with physical distancing in effect. <input checked="" type="checkbox"/> IDEA: Administrators will hold regular staff meetings. IDEA Field Reps will send twice-weekly emails to parents with information and updates. IDEA will send periodic surveys to allow for parent and staff input on relevant topics. <input checked="" type="checkbox"/> SHS K-12/GILA: All admissions and COVID-19-related practices, quarantine restrictions, or changes made to such, will be communicated to parents and guardians promptly and using the following methods: mass emails, automated phone calls and texts, scheduled audio conferences, Microsoft Teams meetings, social media, and notifications on our school website and on radio station K1YU. Multiple informational meetings and communiques will occur prior to the start of the school year, and after any changes affecting students, parents/guardians, and staff.	<input checked="" type="checkbox"/> IDEA: Staff will communicate regularly with IDEA families via phone, email, text and Microsoft Teams to maintain support, compliance and to ensure that student educational progress is being monitored and that families are having educational successes. Families may stop by the offices from time to time with physical distancing in effect. Masking for all persons over the age of 5 will be in effect for those people without a bona fide medical or other reason. <input checked="" type="checkbox"/> IDEA: Administrators will hold regular staff meetings. IDEA Field Reps will send twice-weekly emails to parents with information and updates. IDEA will send periodic surveys to allow for parent and staff input on relevant topics. <input checked="" type="checkbox"/> SHS K-12/GILA: All admissions and COVID-19-related practices, quarantine restrictions, or changes made to such, will be communicated to parents and guardians promptly and using the following methods: mass emails, automated phone calls and texts, scheduled audio conferences, Microsoft Teams meetings, social media, and notifications on our school website and on radio station K1YU. Galena City School District: CONDITIONS FOR LEARNING

Describe how the district will ensure the following conditions for learning will be addressed in a low, medium, and high risk environment for all students. To view the definition and parameters for each risk environment, visit <https://bit.ly/akss-guidance>.

	Low Risk	Medium Risk	High Risk
	<p>✓ GCSD: The District reserves the right to deny admission to a school facility if an individual is not in compliance with a local, State, or federal health mandate.</p> <p>✓ IDEA: Students will homeschool. Parents and students will come to the IDEA offices as necessary to meet with staff and access materials. Appointments will be recommended to maintain adequate numbers to maintain physical distancing. Clubs and student activities will be considered on a case-by-case basis. Facemasks will be required for all staff and visitors to IDEA offices. The number of people in each office will be monitored and limited in order to maintain physical distancing of at least six feet between all people in the office who are not from the same household.</p>	<p>✓ GCSD: The District reserves the right to deny admission to a school facility if an individual is not in compliance with a local, State, or federal health mandate.</p> <p>✓ IDEA: Students will homeschool. Some outdoor activities may be considered on a case-by-case basis provided the entire activity is outdoors and appropriate distancing and other precautions can be adhered to. Masking for all persons over the age of 5 will be in effect for those people without a bona fide medical condition or other valid reason. 40% of all staff who can do their jobs from home will be working from home. If Covid rates stay above 10 cases per 100,000 people in a given region of the state for 7 or more days, that regional office will be closed to walk-in traffic and all staff who can work from home will be working from home. Also, the office will adhere to all policies associated with the high risk alert level. When a particular region stays in the low alert level consistently, for more than 14 days without ever going back into the high alert level, the office will return to the policies associated with the low alert level.</p>	<p>✓ GCSD: The District reserves the right to deny admission to a school facility if an individual is not in compliance with a local, State, or federal health mandate.</p> <p>✓ IDEA: If Covid rates stay above 10 cases per 100,000 people in a given region of the state for 7 or more days, that regional office will be closed to walk-in traffic and all staff who can work from home will be working from home. When a particular region stays in the Intermediate alert level or lower consistently, for more than 14 days without ever going back into the high alert level, the office will return to the policies associated with the intermediate alert level.</p>
	<p>✓ GILA: Students do not depart for Galena unless they present a physician or medical center report stating that they were tested for COVID-19 within the past 72 hours and that test was negative. There are some locations that do not have the ability to get results back in the 72 hour window; those students will test prior to departing for Galena and then re-test once they land in Galena.</p>	<p>✓ GILA: Students do not depart for Galena unless they present a physician or medical center report stating that they were tested for COVID-19 within the past 72 hours and that test was negative. There are some locations that do not have the ability to get results back in the 72 hour window; those students will test prior to departing for Galena and then re-test once they land in Galena.</p>	<p>✓ GILA: While in High Risk status, students will not be traveling to Galena.</p>
	<p>✓ GILA: Per City Ordinance as of 2/23/2021, arriving students with a negative COVID-19 test do not need to shelter-in-place/quarantine. They will test at the clinic on the 7th day after arrival.</p>	<p>✓ GILA: Students are quarantined upon arrival for approximately 10 days (post-quarantine testing at end of day 7 with test results within 3 days).</p>	<p>✓ GILA: Students are not arriving, so no need for quarantine.</p>
	<p>✓ SHS K-12/GILA: Galena's local medical authority Dr. Tamara Huntington advises whether SHS/GILA schools are Low Risk, Medium Risk, or High Risk. GCSD appreciates Dr. Huntington's consultation thus far and plans to continue following the advice of the local medical authority. Dr. Huntington is GCSD's primary contact with the medical profession.</p>	<p>✓ SHS K-12/GILA: Galena's local medical authority Dr. Tamara Huntington advises whether SHS/GILA schools are Low Risk, Medium Risk, or High Risk. Campuses will be deep cleaned due to exposure or recommendation from medical personnel.</p>	<p>✓ SHS K-12/GILA: In addition to standard daily cleaning, teachers, students, and staff will assist in cleaning throughout the instructional day. Classroom surfaces will be wiped down per CDC guidelines at the end of each class period. Campuses will be deep cleaned due to exposure or recommendation from medical personnel.</p>	<p>✓ SHS K-12/GILA: In addition to standard daily cleaning, staff will assist in cleaning throughout the work day per CDC guidelines in areas of the facilities in use by essential staff. Work spaces will be deep cleaned due to exposure or recommendation from medical personnel. Instructional spaces and student transportation vehicles will be deep cleaned to ready those spaces for use after coming out of "hunker down" (red) operational zone.</p>
<p>✓ SHS K-12: Students are served breakfast and lunch in large gym (possibly small gym also for K-8) at tables where seating is assigned by group and is placed in physical distancing configuration. Students will not use the serving line. Meals will be served to them in their designated seating areas. GILA: Based on advice from our local medical authority, students living in our Residence Hall will eat in their dedicated "Family Groups." During times of low risk, "Family Groups" consist of one large female "Family Group" and one large male "Family Group."</p>	<p>✓ SHS K-12: Students are served breakfast and lunch in large gym (possibly small gym for K-8) at tables where seating is assigned by group and is placed in physical distancing configuration. Students will not be using the serving line. Meals will be served to them in their designated seating areas. GILA: Based on advice from our local medical authority, students living in our Residence Hall will eat in their dedicated "Family Groups." During times of medium risk, "Family Groups" consist of two smaller female "Family Groups" and tw smaller male "Family Groups."</p>	<p>✓ SHS K-12: Breakfast and lunch will be delivered to students' places of residence. GILA: Based on advice from our local medical authority, students living in our Residence Hall will receive takeout meals delivered to their dorm rooms.</p>
<p>✓ SHS K-12/GILA: Administration will inform parents of protocols for releasing a student who has been identified to be ill while at school. Ill students will be isolated with a staff member until a parent arrives. The parent/guardian will enter and exit the building via designated entry and exit points.</p>	<p>✓ SHS K-12/GILA: Administration will inform parents of protocols for releasing a student who has been identified to be ill while at school. Ill students will be isolated with a staff member until a parent arrives. The parent/guardian will enter and exit the building via designated entry and exit points.</p>	<p>✓ N/A: No in-person instruction in condition red.</p>

	<p>SHS K-12: All students and staff will be responsible to monitor for fever every morning. Anyone who has a fever of 100.4 or higher will be considered ill and will be sent home from school. Both SHS students and SHS/GILA staff will be required to obtain a return to work/school note from the local health provider.</p> <p>✓ GILA: GILA students will be responsible to monitor for fever every morning. Any students who have a fever of 100.4 or higher will be sent to the wellness room or another designated area in the Residence Hall. GILA students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to the local health clinic. The students will receive a return to school note from the local health provider.</p>	<p>SHS K-12: All students and staff will have their temperature taken by a school employee every morning. Anyone who has a fever of 100.4 or higher will be sent home from school. SHS students will be required to obtain a "return to school" note from a medical provider, and SHS/GILA staff will be required to obtain a "return to work" note from a medical provider.</p> <p>✓ GILA: GILA students will have their temperature taken prior to leaving the Residence Hall in the morning. Any students who have a fever of 100.4 or higher will be sent to the wellness room or another designated area in the Residence Hall. GILA students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to the local health clinic. Students are to receive a "return to school" note from the local health provider.</p>	<p>SHS K-12: No in-person instruction. Parents/students are encouraged to self monitor and stay in contact with the local health provider as appropriate.</p> <p>✓ GILA: All GILA students and Residence Life staff members will have their temperature taken by a school employee every morning. Anyone who has a fever of 100.4 or higher will be considered ill. GILA students may be moved to a wellness room or another designated area in the GILA Residence Hall. Residence Life students will be evaluated by Residence Life personnel who have been trained in the protocols for reporting student illnesses to our local health clinic.</p>
	<p>✓ SHS K-12/GILA: GILA campus will be considered a "closed campus" for students during the entire instructional day. High school students on the SHS campus may purchase "Grab & Go" foodstuffs at the Coffee Shop and Sweetsirs.</p>	<p>✓ SHS K-12/GILA: Both SHS and GILA campuses will be considered "closed campuses" for students during the entire instructional day. Local medical authority advice is to work with local businesses for potential "take out delivery" options for lunch.</p>	<p>✓ N/A: No in-person instruction in condition red.</p>
	<p>✓ SHS K-12/GILA: Clear barriers installed around food service areas, high traffic staff work areas, and teacher's desks if desired. HEPA filters in K-8 classrooms because of student numbers and in high school classrooms upon teacher request. Prior to first day of class, a professional HVAC company inspected and ensured maximum filtered outside air ventilation within school facilities.</p>	<p>✓ SHS K-12/GILA: Clear barriers installed around food service areas, high traffic staff work areas, and teacher's desks if desired. Galena City School District: CAPACITIES FOR LEARNING

Describe how the district will ensure the following conditions for learning will be addressed in a low, medium, and high risk environment for all students. To view the definition and parameters for each risk environment, visit <https://bit.ly/akss-guidance>.

	Low Risk	Medium Risk	High Risk
Connectivity	<p>GCSD: The District prioritizes student connectivity providing a wide array of solutions and equipment options across the state. This includes, but is not limited to, district-assigned cellphones, conference bridge connections, one-to-one or one-to-many software applications, and multiple Internet MiFi hotspot options (on cellular networks for rural Alaskan communities) and cable modem internet service (where available).</p> <p>GCSD-provided technology will support any immediate need for displaced students and/or staff who may fall ill and require isolation. Assessing the need for additional connectivity support is ongoing. GCSD previously utilized surveys (spring COVID-19 emergency displacement) to parents and students and staff. These are currently in development to be deployed before the start of school to verify connectivity has not changed. GCSD has selected Microsoft Teams as its preferred and supported platform for virtual meetings, both internal for staff training, and external for family communication, and extracurricular activities (i.e. video chat for one-to-many, one-to-one and/or virtual classes or group gatherings). GCSD offers Teams-based-LMS (Learning Management System) as well as shared network drive access locally among building-based staff. Beyond Teams collaboration, delivery options may also include the following:</p> <ul style="list-style-type: none"> • Microsoft Stream (video conferencing recordings through Teams) • Phone conference bridge or direct-dial District assigned cell phones • Webinar for one-to-many • Recorded or live presentations • Mass texting / email 	<p>GCSD: The District prioritizes student connectivity providing a wide array of solutions and equipment options across the state.
